

**BOROUGH OF AVALON**

**AN ORDINANCE TO AMEND THE ZONING ORDINANCE  
OF THE BOROUGH OF AVALON TO PROVIDE FOR  
RESORT HOUSES AS CONDITIONAL USES ONLY IN THE  
R/M (HOTEL-MOTEL) ZONING DISTRICT,  
AND TO PROHIBIT TRANSIENT COMMERCIAL USES**

**BE IT ORDAINED** by the Borough Council of the Borough of Avalon in the County of Cape May, State of New Jersey, as follows:

Section 1. Findings: The Borough Council finds and determines that:

1. The Borough of Avalon is primarily a residential community located along the Atlantic Ocean with residential homes occupied by a year-round population of approximately 1,334 and a seasonal (primarily June, July and August) population of approximately 35,000. Of the total number of residential units 5,351 in the Borough, only 1132 are licensed for rentals.
2. The Borough of Avalon has established specific areas of the Borough to accommodate residential uses and, through adopted ordinances, to preserve, maintain and enhance the residential character of those areas;
3. The Borough of Avalon has established areas of the Borough to accommodate commercial uses in areas that will not intrude in or negatively impact on the residential areas;
4. The Borough of Avalon has established areas of the Borough to accommodate hotel, motel, and transient uses in areas appropriate for those uses and to ensure that those uses do not intrude in or negatively impact on the residential areas of the Borough

5. The intrusion of hotel, motel, resort houses, and commercial uses in the residential areas would substantially, negatively and permanently impact on the very character and quality of life in the Borough of Avalon.
6. The Borough Council has become aware of attempts to use properties in the residential zoning districts for resort houses which uses are inappropriate for the residential zoning districts.
7. Allowing the intrusion of resort houses in the residential zoning districts would negatively impact both on the residential character of the Borough as well as the businesses properly located in the R/M (Hotel-Motel) zoning district.
8. The Master Plan of the Borough of Avalon establishes goals for the regulation of land uses in the Borough with the first goal to “Maintain community character and visual environment.”
9. The Master Plan sets forth specific objectives, including the encouragement of commercial uses “in the commercial districts”, i.e. the B-1 and B-2 Business Zones; to “control the overnight parking of trucks from the business district on adjacent residential streets”; to “curtail the use of Borough streets for the storage of boats/trailers and commercial trailers”; to “reduce traffic congestion and on-street residential parking”; and to “preserve and enhance the hotel/motel district”;
10. The goals and objectives of the Master Plan are clearly and unequivocally set forth to contain hotel/motel uses in the hotel/motel district, i.e., the R-M (Motels and Hotels) Zone, to

contain commercial uses in the commercial district and to preserve the residential character of the residential districts.

11. It is essential to preserve the character of and the quality of life in the Borough of Avalon by preventing the intrusion of hotel/motel and commercial uses in the residential areas of the Borough.
12. It is necessary to prevent the undermining of the Master Plan and the Ordinances of the Borough by those who misrepresent prohibited or conditional uses as being permitted.
