

# BOROUGH OF AVALON FLOODPLAIN VENTING AFFIDAVIT

I hereby acknowledge that the Borough of Avalon is issuing an Occupancy Certificate for the property known as:

\_\_\_\_\_

Under Permit # \_\_\_\_\_

In which required Floodplain Management Ordinance requirements have been met and a final inspection performed. At the time of Inspection, \_\_\_\_\_ vents and \_\_\_\_\_ crawl space access doors were used to meet the flood venting requirements of the Ordinance that would allow the automatic entry and exit of floodwaters. I acknowledge that all openings designed to meet this requirement must be maintained as flood vents, and that the elimination or alteration of the openings in any way that would no longer allow the automatic entry and exit of flood waters would violate the Floodplain Management Ordinance. Violations may incur civil penalties and possible court action. In addition, I acknowledge that alteration of the vents could result in greater risk to my property and personal safety in the event of a flood. Flood Insurance claims may be denied, and flood insurance may not be available or cost more if vents are altered.

As witness the hand and seal of the owner/agent of the subject property this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_.

In the event the agent signs this affidavit, it is the agents responsibility to inform the owner of the Floodplain Management Ordinance requirements.
