

BOROUGH OF AVALON  
CAPE MAY COUNTY  
NEW JERSEY

NOTICE OF AMENDATORY CONTRACT

The Borough of Avalon awarded the following contract after soliciting bids:

Bid Date: October 29, 2010  
Awarded To: South State, Inc.  
Services: Contract M-116, 8<sup>th</sup> Street Jetty Repair  
Amount: \$2,535,630.00  
Resolution Info: 177-2019, Adopted 11/13/2019

An amendatory contract for these services is necessary due to Change Orders amounting to more than twenty (20) percent of the original contract price. All Change Orders were for work made necessary by originally unforeseen and extenuating circumstances previously unidentified by Borough Officials or the awarded contractor, which are detailed below:

Change Order No. 3 – additional expenditure: \$635,800.00

Mechanical and hydraulic excavation of a large sand deposit accumulated on the inlet side of the jetty.

Change Order No. 4 – additional expenditure: \$12,500.00

The contractor was required to repave portions of the 8<sup>th</sup> Street Jetty Parking area and Avalon Avenue due to damage caused by mobilizing heavy equipment to and from the site. Since the remaining portion of the parking area was also in very poor condition, Avalon negotiated with the contractor to pave the portion of the parking area.

Change Order No. 5 – additional expenditure: \$490,245.12

This Change Order covered all final quantity updates, with increases covering additional services, such as the re-handling of Stone Class H for Core Stone for Core Box Construction and Jetty Chinking in the amount of 2,088.11 tons, which can be attributed to voids that were unobservable at the time of the bid, the actual interior of the jetty not matching design drawings, and the final elevation of the rebuilt jetty being higher, reflecting the tolerance that was provided in the contract.

This contract, Change Order Forms, and the Resolutions authorizing same are available for public inspection in the office of the Borough Clerk, 3100 Dune Drive, Avalon, NJ 08202 between the hours of 8:15 a.m. and 4:15 p.m. Monday through Friday. This public notice is being advertised in accordance with NJAC 5:30-11.9.
