Notice of Addendum #1

Borough Contract # 23-01, Collection & Disposal of Municipal Solid Waste Materials
Borough Contract # 23-02, Collection & Disposal of Municipal Recycling Materials
Borough Contract # 23-03, Collection & Disposal of Municipal Bulk Waste Materials

To all holders of the specifications for the above listed contracts. On Thursday, June 23rd, 2022 at 10:00 AM a Pre-Bid Meeting Conference was held in person and via Zoom Call in order to address any concerns that potential bidders may have had with regard to the aforementioned specifications. During the course of the conference, several questions were raised. All questions raised and received in writing have been addressed in this addendum and answers are provided herein. Where changes have been made to the specifications said changes have been so noted in the updated specification documents by red strikeouts and blue insertions. Only Changes specifically so noted within the Addendum #1 are applicable to the contracts. Addendum #1 shall cover the eight (8) content changes in the specifications for Borough Contract #23-01, Collection & Disposal of Municipal Solid Waste Materials & Borough Contract #23-02, Collection & Disposal of Municipal Recycling Materials. All answers to the questions asked are for informational purposes only, unless otherwise so noted.

All Bidders are advised to review the contents of the Addendum and the updated language in the specifications. Language so noted in the addendum now supersedes that which was found in the originally issued bid documents. The complete copy of the addendum can be obtained from Kimberly Mastriana, Administrative Assistant @ mastriana@avaonboro.org

All bidders shall acknowledge receipt and acceptance of the Addendum #1 by inserting its number, date and bidder's initials on the Acknowledgment of Receipt of Addenda Form contained within the specifications. Bid Proposals submitted without the Addenda Acknowledgment completed shall be considered unresponsive.
